Dear Sirs

ADVANCE NOTIFICATION OF ROAD IMPROVEMENTS SCHEME: A158/KENNEL LANE JUNCTION IMPROVEMENT, REEPHAM

I am writing to inform you that the above highway scheme is in the course of preparation and that it will be necessary to close Kennel Lane to vehicular traffic for the duration of the works.

1. Description of works:- The works will provide an additional lane on Kennel Lane at the junction of the A158, Wragby Road. The works will also include the resurfacing of Kennel Lane in the proximity of the junction
2. Reason for works:- The works are required to improve the junction capacity onto the A158.
3. Main Contractor:- Lincolnshire County Council Highways Alliance
Kier MG
4. Commencement date:- 27th February 2017
5. Approximate duration of works:- 2 weeks

The decision to proceed with these works has been taken and full consideration has been given to alternative means of construction and traffic management. All reasonable measures will be taken to complete the scheme as quickly as possible to minimise disruption and inconvenience.

During the construction phase, access on Kennel Lane will not be possible due to a road closure being in place. A signed diversion route will be displayed throughout the works. The traffic management on the A158 will be coned lanes with a speed limit restriction of 30mph through the works for the safety of the workers.

Your co-operation and understanding during these works will be appreciated but should you have any specific needs or requirements or require further information, please do not hesitate to contact me on the telephone number given above.
