Cherry Willingham Community School Community Open Evening Thursday 6th July 2017 – 6pm-7pm

The announcement that Cherry Willingham Community School is to join the Priory Federation of Academies Trust has, understandably, prompted a lot of questions in the local area. With that in mind, CWCS and The Priory have arranged a Community Open Evening to help provide you with as many answers as possible.

The event is open to the school's parents, prospective school parents and any connected party in the local community. The format will comprise a short presentation by the Trust's Chief Executive, to be followed by a question and answer session and then another 30 minutes for you to talk to individual representatives from The Priory.

As I said in my letter to CWCS parents earlier this month, The Priory is delighted to be part of the next stage of CWCS's future and we will do everything we can to shed as much light as possible on the road which lies ahead.
